

Deutsches Diabetes-Zentrum

Leibniz-Zentrum für Diabetes-Forschung
an der Heinrich-Heine-Universität Düsseldorf

The German Diabetes Center (DDZ), Leibniz Institute for Diabetes Research at Heinrich Heine University (HHU) in Düsseldorf is funded by the Federal Ministry of Culture and Science of the State of North Rhine-Westphalia. The DDZ as an interdisciplinary institute links molecular and cell biological basic research with clinical investigation. The DDZ aims at developing new approaches for the prevention, early detection, diagnosis and treatment of diabetes mellitus and at improving the treatment of its complications. The DDZ is a member of the German Center for Diabetes Research (DZD).

The Research Group "Systematic Reviews" (Head: Dr. Sabrina Schlesinger) within the Institute for Biometrics and Epidemiology (Director: Prof. Dr. Oliver Kuß) at the German Diabetes Center is looking for a

Research associate (m/f/div.) Part-time (50%) (temporary position)

Your tasks:

- Conducting systematic reviews and meta-analyses in type 2 diabetes research with a focus on obesity, nutrition and physical activity.
- Conducting systematic reviews in type 1 diabetes research.

Your profile:

- Skills: Reliability, flexibility, commitment, teamwork skills.
- Degree: PhD degree in Nutrition, Epidemiology, Public Health, Medicine or equivalent.
- Experiences: in conducting systematic reviews (use of biomedical literature databases and reference management software) as well as use of statistical software (e.g. STATA, SAS, R, SPSS).

We offer:

- Support towards independent scientific work, scientific career development, and an interesting workplace in a highly motivated team.
- The position is to be awarded starting at 20.02.2023 as replacement for maternity/parental leave and runs for 1 year.
- Family-friendly working conditions and professional equality. Since May 2011, the DDZ has been certified by the "career and family audit". The provision of section §7 (1) of the Part-Time and Fixed-Term Act is taken into account.
- The salary is based on qualification and experience according to TV-L in its current version for North Rhine-Westphalia.
- Females are encouraged to apply, and in the case of equal qualification will be given preference.
- Handicapped persons will be given preference.

Please submit your complete application (motivation letter, CV, certificates/records) with the reference code **IBE-RA-23-1** to personal@ddz.de. For further information please contact Dr. Sabrina Schlesinger (sabrina.schlesinger@ddz.de)

Data collection and further processing of your application at the DDZ will take place mainly by means of electronic data processing. The regulations pertaining to data protection laws will be adhered to. By sending us your application you consent to this procedure.
